**THREE ASPECTS OF THE MISSIONARY COMMITMENT**

1. In the area of my personal character, I commit to live a Godly lifestyle by maintaining a growing relationship with Christ and living blamelessly before others.
2. In the area of my church life, I commit to live a generous lifestyle by giving of myself to the other members of Green Hills through regular, spirit-filled church attendance, serving in a church ministry, participating in two training opportunities per year, and encouraging other missionaries by being a part of a Missionary Team.
3. In the area of my community outreach, I commit to live a generative lifestyle by praying for an unchurched person all year long, by inviting one unchurched person a month to Green Hills, and by showing Christ's love to all who attend Green Hills every Sunday.
